

INSTITUT PENDIDIKAN GURU KAMPUS TEMENGGONG IBRAHIM, JOHOR BAHRU
SHORT COURSEWORK ASSIGNMENT

Department : Department Of Educational Studies
Course : Program Pensiswazahan Guru
Subject : EDU3103 Learning and the Learner
Commence : 18 Feb 2012
Submission : 24 Mar 2012

Question:

There are five behaviourist theory of learning: Cognitive Theory, Constructivist Theory, Social Theory and the Humanist Theory. Behaviourist learning theory is divided into two, namely the theory of operant conditioning and classical conditioning theory. The classical conditioning theory is pioneered by the two founders: Pavlov and Watson. While the theory of operant conditioning is also dominated by the two founders its Thorndike and Skinner.

Students lined up in classroom when the bell rang, students been fine each time they commits an offence and were given training drills in mathematics are among the examples of the acquisition phase, extinction and generalization presented by Pavlov in classical conditioning theory.

1. Through the experience of teachers at school, list out at least five examples of theory pioneered by Pavlov, Behaviourist, Watson and Thorndike practised in schools today.
2. Provide appropriate graphical form to compare three different behaviourist theory.
3. What are the implications of each theory in teaching and learning process.

Task Instruction

1. Tasks to be performed in groups of THREE or FOUR people
2. Report on written personal reflection is an individual basis
3. Assignment should be typed: font 12 Arial, 1.5 line spacing, not more than 10 to 12 pages excluding bibliography.
4. Source material/references must be stated with reference to write the format Implementation Guide and Knowledge-based course work.
5. Front page of the assignments must be completed with information about the names of group members, registration number, options, names of lecturers and the date of submission.
6. Collaboration forms need to be included in the appendix.
7. Front page of the assignments must be completed with the following information:
 - a. Name of each member of the group with the registration number and identity card number
 - b. Option
 - c. Code of Subjects
 - d. Lecturers
 - e. Date of submission
